FIG. 4

FIG. 1 is a top view of a circular device 100. The device 100 has a central square region 106. Surrounding the central region 106 are four radial segments 104, which are arranged in a cross pattern. The segments 104 are separated by four quadrants 108, 110, 112, and 114. The entire device 100 is enclosed within a circular boundary 102.
